

海外での研究活動基金

Overseas Research Activities Grant

KUASU Challenge⁺

In the aim of encouraging students to conduct their overseas research activities*, the Kyoto University Asian Studies Unit (KUASU) branch office at the Graduate School of Economics (GSE) is providing grants to those who are conducting the overseas research related in Asian Studies in a broad sense.

*Non-Japanese students can count Japan as overseas.

Application Deadline: November 29

This grant covers...

- 1) Transportation expense
- 2) Living expense (per research day)

Please refer to the details posted on the following website, and feel free to contact if you have any questions!
