3. Submission of presentation materials by September 24, JST (if applicable)

The conference will be conducted via Zoom, which allows presenters to share their own materials, but if you are not familiar with how to use it, technical troubles often occur. To make the meeting run smoothly, please send your materials in advance. If a problem occurs, the Organizer can take over and share the screen.

- Please name your PPT file in the following format.

4. Presentation time **【Important】**

- Each session contains three or four presenters.
- Each presenter will present for no more than 25 minutes.
- We advise presenters to prepare a 20-minute presentation.
- There will be no comments or Q&A after each presentation.
- After all presenters in one session have presented, the commentator will give comments for 10-15 minutes. After that, there will be a Q&A session for 15-20 minutes (30 minutes in total for comment + Q&A).

Note: Since the time schedule announced before was rather confusing, we rearranged the presentation time. We are sorry for the inconvenience. 20-minute is an advised time period. Only the maximum limit of 25 minutes is strict.

5. Session Chairs:

Chairs for each session are assigned from among the participants (please see the program). Chairs are expected to facilitate the session according to the program, and are also expected to manage the time.

In Q&A sessions, questions may be sent to chat box. Please be sure to be on time since participants may move from one session to other sessions running concurrently.
